In 2012 EasyGo to USA not only launched and took on the U.S. sport scholarship programs for international student-athletes, it continued to build an army of International Team, spanning 13 countries and reaching hundreds of potential international student-athletes each year. EasyGo to USA provides the forum to develop yourself and make an impact.

Buckle up, hit the road and join us in recruiting our future super star athletes!
WHAT TO EXPECT
You will act as an ambassador for EasyGo to USA within your local area and sport beyond recruiting future participants onto the program. The role also requires you to pre-screen our international student-athletes during a 60 minutes face to face interview.

TOP TIP
Start thinking about how you will share your passion of sport and education in your sport community and local area. Of course we will provide you with coaching and support throughout the years, but it never fails to start planning early!

WHAT NOT TO EXPECT
An average part time job. This is probably one of the coolest jobs around and you’ll have great fun along the way. You’ll get to meet and work with other like-minded sport fans, athletes and parents who are ready to take on the challenges.

YOU’LL LOVE
The opportunity to support international student-athletes on their journey to accomplish their dream: to study and play sport in the United States!
OUR IDEAL CANDIDATE WOULD BE

★ Former or current student-athlete, passionate about sport and education
★ Fluency in English
★ Friendly and outgoing
★ Able to commit to 14 hours of scouting activity on weekly basis
★ Energetic, driven and enthusiastic
★ Innovative and Flexible
